E-mail: aymanfottoh1@yahoo.com

Profile

Most of my experience is in agreements' and contracts preparation and administration, projects' coordination, planning and cost controlling as well as some experience in technical office in the Oil & Gas field in onshore and offshore.

I have worked in several locations; in Operations like Refinery and Projects like LNG plant, upstream and compression facilities, onshore & offshore pipelines, offshore platforms rehabilitation and dredging & slope protection.

Education and Certificates:

1. **B.Sc. in Civil Engineering, Tanta University on May 1997.**

Foreign Credits accredited my bachelor degree as equivalent of B.Sc in Civil Engineering awarded by regionally accredited colleges and universities in United States.

Evaluation ID is 115005-87139-0A1884A7

2. **Member in Chartered Institute of Arbitrators (MCIArb)**

Membership Number (6039918) - Egypt

3. **Certified Professional Contracts Manager (CPCM) from NCMA**

Certificate Number (10348)

4. **PMP Certificate (Project Management Professional) issued by PMI**

Certificate Number (309206).

Arbitration Work Experience:

Claimant Assistant in QICCA Arbitration Case No. 15/Arb/2024

I successfully handled all arbitration procedures on behalf of the Claimant, from preparing and initiating the notice of arbitration through to the issuance of the award, and provided guidance in securing the enforcement order for the arbitration award.
