Dear Ahmad Hamed Alshalabi,

Subject: ISO 9001:2015 - Quality Management Systems Auditor/Lead Auditor Training Course

Amman - Jordan

1 December 2019

Course Identifier: 48559830

I am pleased to inform you that you have successfully completed the above course and enclose a Certificate of Achievement. Your examination percentage is 81.5% and that your continuous assessment grade is Good.

The method of continuous assessment is designed to assess a delegate's suitability as an Auditor at the time of Course. The assessment is based upon observation of delegate performance as required by the IRCA Auditor Certification Scheme.

The classification is an opinion expressed by the Course tutors and does not form part of the criteria set by the Auditor Certification Scheme for granting Auditor or Lead Auditor status.

I must emphasise that other requirements, such as work and audit experience are necessary to register as an Auditor or Lead Auditor. May I also point out that Course certificates are valid for 5 years from the date of the last day of the Course for the purposes of registering as an Auditor or Lead Auditor with the IRCA.

Please accept my congratulations and best wishes for the future.

Yours sincerely,
